

Ministerial Circular No. (123) of 2026

Regarding Applications to Benefit from Tariff Rate Quotas for Relevant Products under the Schedule of Commitments of the United Arab Emirates pursuant to the Comprehensive Economic Partnership Agreement between the Government of the United Arab Emirates and the Government of Ukraine

Minister of Foreign Trade,

Having reviewed Federal Decree No. (60) of 2025 ratifying the Comprehensive Economic Partnership Agreement between the Government of the United Arab Emirates and the Government of Ukraine;

In line with the Ministry of Foreign Trade's commitment to regulating the distribution of tariff rate quotas included in the Schedule of Commitments of the United Arab Emirates under the Agreement, in a manner that ensures the principles of transparency, fairness, and optimal utilization of such quotas;

And upon the presentation of the Undersecretary of the Ministry,

Has decided as follows:

Article One Definitions

For the purposes of this Circular, the following terms and expressions shall have the meanings assigned to each of them below, unless the context requires otherwise:

State: The United Arab Emirates.

Ministry: Ministry of Foreign Trade.

Agreement: The Comprehensive Economic Partnership Agreement between the Government of the United Arab Emirates and the Government of Ukraine.

Tariff Rate Quotas (TRQs): The quantities specified for the relevant products in accordance with the Schedule of Commitments of the United Arab Emirates under the Agreement.

Relevant Products: Products subject to tariff rate quotas pursuant to the Schedule of Commitments of the United Arab Emirates annexed to the Agreement.

Company: Any legal entity licensed to carry out commercial activities related to the relevant products within the State.

Article Two Submission of Applications for TRQ Allocation

1. The Ministry invites all companies wishing to import relevant products under the tariff rate quotas established pursuant to the Agreement to submit applications for benefiting from such quotas.
2. The application shall include the following data and documents:
 - a. Company details, including trade name, commercial license, commercial registration number, contact details, and name of the responsible person.

- b. Specification of the products the company wishes to import under the tariff rate quota.
- c. Details of requested quantities for each product.
- d. Previous import data related to the relevant products, if any, including imported quantities, value, and country of origin or export over the past three (3) years, supported by relevant documentation.
- e. Data on sales or distribution of the relevant products within the State, if any, including quantities sold and value over the past three (3) years, supported by relevant documentation.
- f. Any other information or documents the company deems supportive of its application.

Article Three **Submission of Applications and Deadline**

1. Applications and required documents shall be submitted electronically to the Ministry via the email address antidumping@trade.gov.ae or delivered by hand to the Ministry's headquarters at Central Park Towers – Dubai – 39th floor, within a period not exceeding ten (10) days from the date of issuance of this Circular.
2. Applications submitted after the specified deadline shall not be considered, unless the Ministry decides otherwise.

Article Four **Verification of Data and Information**

1. The Ministry may, at any time during the application review period, request any additional information, data, or documents it deems necessary to verify the accuracy of the submitted information or to complete the review of the application.
2. If the Ministry determines that the company has submitted inaccurate, incomplete, or misleading information or documents that may affect the process of determining tariff rate quotas, it may exclude the application or take any other appropriate measure.
3. Failure by the company to respond to the Ministry's requests for additional information or documents within the timeframe specified by the Ministry shall constitute sufficient grounds for exclusion from the TRQ allocation process.

Article Five **General Provisions**

1. Submission of an application, data, or documents under this Circular shall not confer any acquired or automatic right to obtain a tariff rate quota.
2. The Ministry shall use the submitted information and data for the purposes of allocating tariff rate quotas in accordance with the mechanism and controls to be issued in a separate ministerial circular, in line with the provisions of the Agreement and ensuring optimal utilization of the quotas.

Article Six
Confidentiality of Information

The Ministry shall maintain the confidentiality of all information, data, and documents submitted by companies and shall not use or disclose them except for purposes related to the implementation of this Circular.

Article Seven
Entry into Force

This Circular shall enter into force as of the date of its issuance.
